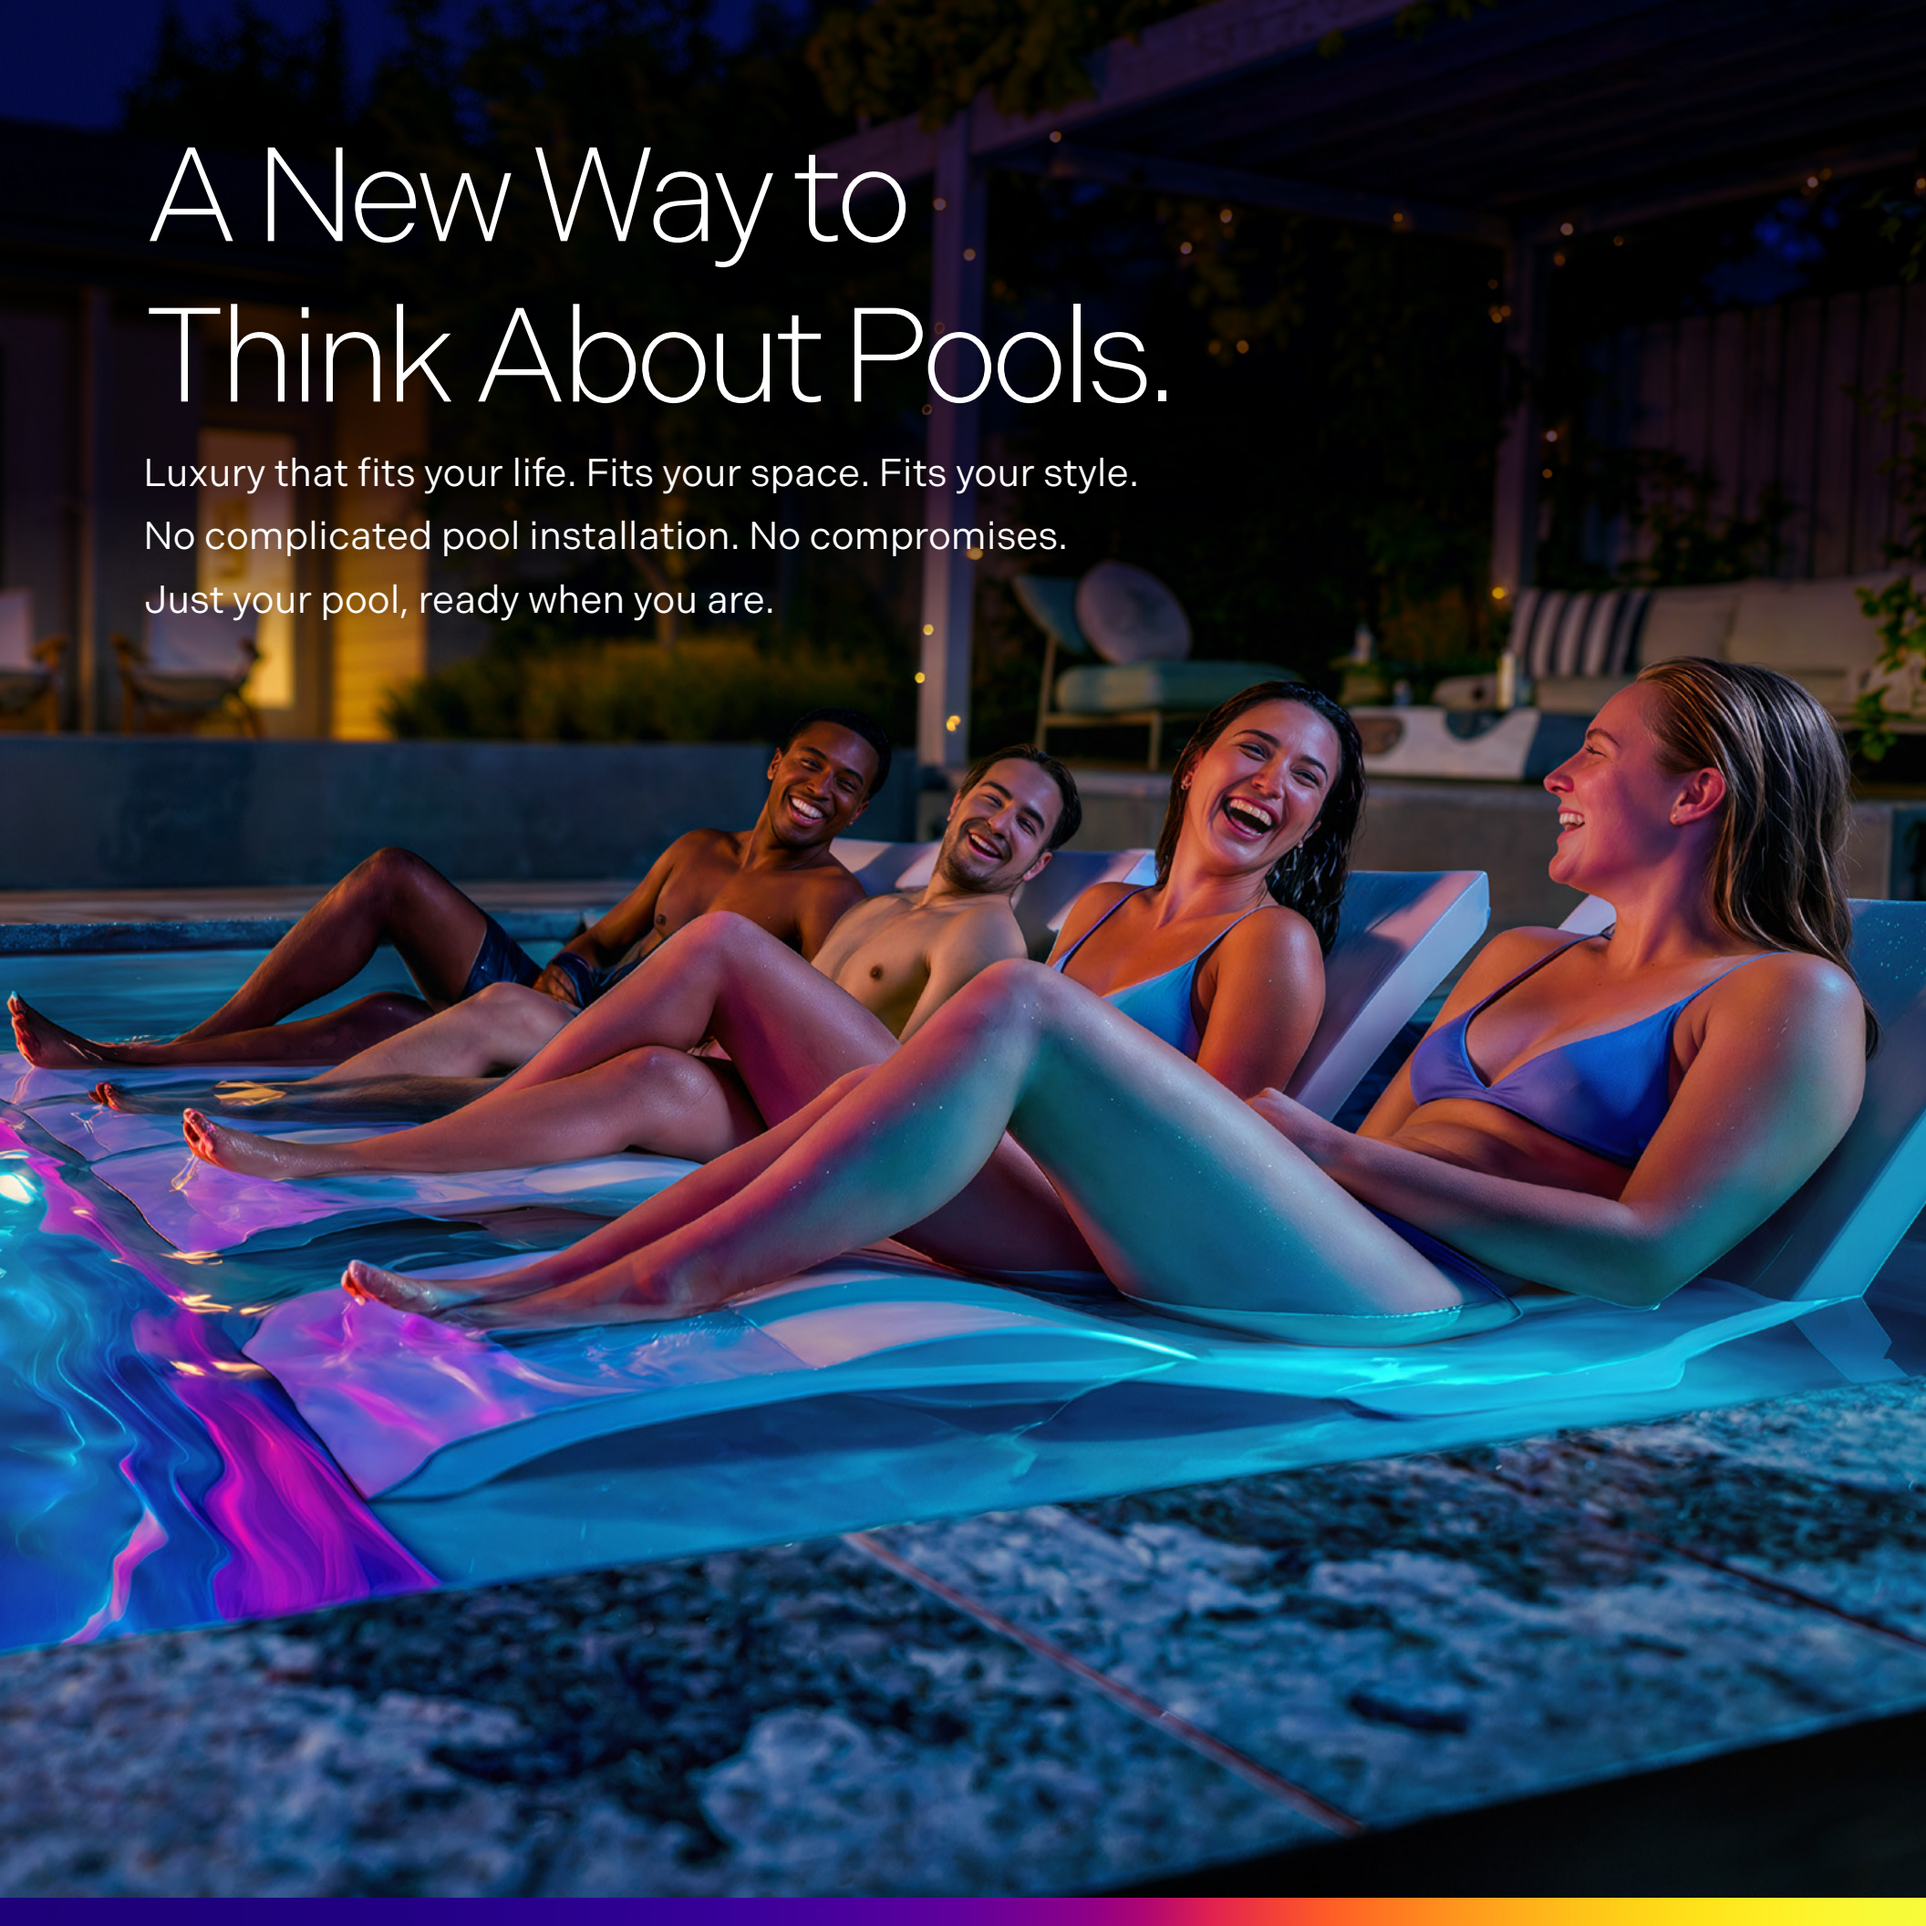
A New Way to Think About Pools.

Luxury that fits your life. Fits your space. Fits your style.
No complicated pool installation. No compromises.
Just your pool, ready when you are.



Your Life Doesn’t Fit a Mold. Neither Should Your Pool.

Based on 25 years of fiberglass pool manufacturing expertise, Novus Pools was built on one simple idea: luxury should fit your life, not the other way around. Designed for flexibility, built for real life, making luxury genuinely attainable. From compact backyards to decks or even rooftops.
